### **CAROL AND DENNIS FITZGERALD**

Carol and Dennis were both born and raised in Albany. In high school during the same years, the Breslin's attended Vincentian Institute and Dennis and Carol were classmates at Albany High.

While at Albany High, Mary Breslin was Carol's gym teacher.

Professionally, Dennis and Mike Breslin worked together at the Capital District Transportation Authority, and Dennis served on the Albany County Airport Authority Board during Mike's tenure as County Executive. Dennis and Carol have always had a special place in their hearts for LaSalle.

The hours spent by Carol's dad, Charles Walker, working to better the lives of young boys as an Albany educator and coach influenced her greatly. Today, Carol spends much of her time volunteering with the Capital Region Garden Club, historic building preservation and as a trustee of Colonie's Pruyn House. A veteran of the U.S. Navy, Dennis has volunteered regularly at Habitat for Humanity for the last ten years and is an active member of the NYS Public Transportation Safety Board. He was a twenty year founding board member of the Albany Police Athletic League and a ten year board member of St. Catherine's Center for Children and Families. Dennis also volunteers at the Pruyn House and mentors Siena College students in labor relations.

Unique about this couple is their ongoing support of one another in the multitude of volunteer activities they each take on - a trait they have in common with Mary and her husband, the late Marsh Breslin.

**LaSalle School is very proud and pleased to name Carol & Dennis Fitzgerald
