DEVELOPING AGENDA

Confirmed Presenters

ILSA FLANAGAN

Director, National Reframing Initiative, National Human Services Assembly

Ms. Flanagan is an organizational strategist with nearly 20 years of experience designing and leading public good initiatives across multiple sectors. In her consulting practice she partners with leaders to build thriving communities and lead social innovation. She was the founding director of several organization-wide initiatives focused on social and environmental change in the corporate and higher education sectors, including the University of Chicago.

Ms. Flanagan is an attorney and graduate of The American University Law School.

ALLISON SAMPSON-JACKSON, PhD, LCSW, LICSW, CSOTP

Chief Executive Officer, Integration Solutions, Inc.

Dr. Sampson-Jackson is a person of lived experience as well as being a professional who has provided services to 'at-risk' youth and their families via the Department of Social Services, Public Mental Health Clinics, as well as within Juvenile Detention and Correctional facilities. In addition, she has provided crisis therapy services in residential facilities for youth and adults with varying mental health diagnoses as well as outpatient therapy services for military service men and women and their families. Today, through Integration Solutions, Inc., she provides trauma informed consultation, education and technical assistance to human service organizations and integrated health care systems interested in furthering their incorporation of trauma informed care practices with children, youth, families, adults and providers of care.

Logistics / Details TBA: Registration, Times, Parking, Lunch, Continuing Ed (CEUs)

Offering individuals with various responsibilities across a wide span of human serving roles a unique opportunity to gain important and useful knowledge about the effects of trauma on brain development, how prevention and trauma informed care can be of significant benefit, and how ACE informed practice can assist with prescriptive treatment and improved use of resources. The program will be especially targeted to DSS Caseworkers and Supervisors, Child Welfare Administrators, Clinicians and Therapists, Juvenile Probation, Educators, Health Care Practitioners, Direct Care Staff and Supervisors within the non-profit provider sector and others working with children.
